

Emerging Scenarios of Deep Continental Structure - A Resume

Introduction	Geological	
Framework	Continental	439
Boundaries	Crustal Magnetic	439
Features	Crustal Gravity Features	439
.....	Seismic Velocity Structure	458
.....	Thermal Structure	460
.....	Stress Fields	462
.....	Regional Features:	466
Peninsular Shield	Himalaya	467
.....	Continental Margins	468
.....	Concluding Remarks	478
.....		480
.....		481

12. Frame Work for Future Programmes Introduction

Basic Aspects of a New Approach	
Outline of Future Programmes	484
Intra Continental Programmes	486
Generation of Basic Data	486
Integrated Geophysical Approach	488
Regional Problems of Crustal Structure	493
Concluding Remarks	495
	497

References	499 Index
to Abbreviations	561 Subject
Index	563
