

10. **M. Jayananda, H. Martin and B. Mahabaleswar**
The Mechanisms of Recycling of the Archaean Continental Crust :
Example of the Closepet
Granite, Southern India 119
- ii. **S. Narayanaswamy and Purna Lakshmi**
Charnockitic Rocks of Tinnevelly
District, Madras 135
12. **G.R. Ravindra Kumar, C.P. Rajendran and
T.N. Prakash**
The Kerala Khondalite Belt 155
- ~

11 Geophysics, Geochemistry

13. **N. Krishna Brahmam**
Gravity in Relation to Crustal Structure, Palaeo-Sutures and
Seismicity of Southern India (South of the 16th Parallel)
..... 165
14. **D.C. Mishra and M.B.S. Vyaghreswara Rao**
Thickening of Crust Under Granulite Province
of South India and Associated Tectonics Based
on Gravity-Magnetic Study 203
15. **Mohan.L. Gupta, S.R. Sharma and A. Sundar**
Heat Flow, Heat Generation and Crustal
Thermal Structure of the Northern Block of
the South Indian Craton 221
16. **U. Raval**
Electrical Structure and its Implication
Across the Lower- and Upper-Crustal
Settings of South India 225
17. **I.B. Ramaprasada Rao**
Deep Electromagnetic Studies in Peninsular
India - A Status Report 229
