**GOVERNMENT OF INDIA
DEPARTMENT OF SCIENCE & TECHNOLOGY
INVITES**

**Expression of Interest for Engagement of Agencies Providing
Solutions for Water Challenges under the Technology Mission:
Winning Augmentation and Renovation (WAR) for Water**

Consultancy Development Centre (CDC) on behalf of the Department of Science and Technology, (DST) invites Expression of Interest (EOI) for providing solutions for water challenges under the Technology Mission: War for Water from Indian and overseas firms/agencies. The Technical Expert Committee under the directive of the Hon'ble Supreme Court of India has identified 25 water challenges, relating to low per-capita availability of water, purification of contaminated water, management of reject from water related technologies, water body disuse, water storage, improved water cycle management, non-optimal use of water in agriculture, water winning and mining in water starved areas, river flood management, etc. DST proposes to engage agencies for implementing solutions initially at about 50 sites in different parts of the Country. Details of the Technology Mission: War for Water along with the Plan Document and the locations for implementation of the solutions are available at DST website www.dst.gov.in

Scope of Work

- Provide technically and economically viable solutions to water challenges relating to low per-capita availability of water, purification of contaminated water, management of reject from water related technologies, water body disuse, water storage, non-sustainable water cycle management, non-optimal use of water in agriculture, water winning and mining in water starved areas, river flood management, etc.
- Implement pilot projects to provide holistic solutions on turnkey basis for water requirement at 10,000 level of population initially.
- Up scaling of successful pilot trials at 1,00,000 level of population in the same water basins and subsequently in different water basins.

Eligibility Criteria

- **Turnover:** Firms/agencies having Average turnover of Rs.50 Million and above in the last three financial years (2006-07, 2007-08 & 2008-09).
- **Experience :** Firms/agencies having experience of at least 5 years in managing and providing solutions to water challenges.

Documents/Evidence to be sent

- a) Certificate of Registration/evidence of legal status.
- b) Copy of Audited accounts/Certificate from Auditors.
- c) Profile of agency giving relevant details of experience indicating the nature of assignment along with solution provided, organization/client, value of assignment, infrastructure and resources, etc.

The EOI's will be evaluated based on the information provided and shortlisted firms/agencies will be issued RFPs for ENGAGEMENT OF AGENCIES FOR PROVIDING SOLUTIONS FOR WATER CHALLENGES UNDER THE TECHNOLOGY MISSION: WAR FOR WATER.

Clarifications pertaining to the EOI may be sought from **Head, Mission Cell (W & SE), DST, Technology Bhavan, New Mehrauli Road, New Delhi-110016** at E-mail ID drpraju@nic.in till 25 November, 2009.

Interested firms/agencies may send response to: **Head (Support Services) Consultancy Development Centre Core 4B, 2nd Floor, India Habitat Centre Lodhi Road, New Delhi - 110003**

Last Date: 30th November, 2009

The envelope containing EOI should be superscribed as "EOI FOR PROVIDING SOLUTIONS FOR WATER CHALLENGES UNDER THE TECHNOLOGY MISSION: WAR FOR WATER"

Size: 12x16cm
