

CORRIGENDUM

Subject: Request for Proposal(RFP) for “Setting up of National Data Registry (NDR) for National Spatial Data Infrastructure (NSDI)”.

In pursuance of our letter of even number dated 13th October, 2016 on the subject mentioned above, the following modifications are hereby made/incorporated in the RFP document: -

I. Payment Terms:-

Category ‘A’- Products/items/services required in deliverables linked to study and design (items 1 and 2 of Scope of Work of RFP document):

The study and design should be conducted using bidder’s own systems and tools. The payment terms in respect of such products/items/services should be as follows:

- 25% of the total related cost to be paid on placement of order;
- 25% on acceptance of design; and
- 50% on acceptance of the use cases/GIS applications.

Category ‘B’- Products/items/services to support implementation (items 3-7 of Scope of Work of RFP document):

- 20% of the total related cost for this category excluding cost of the platform at the time of the placement of order;
- 40% on acceptance of design and demonstration excluding platform cost;
- 80% of the platform cost on the delivery of items/products; and the rest 20% on installation/ release of the applications.

Bidders are advised to supply NDR/ Data Node platforms just in time when they are ready with applications for acceptance testing and quote for each component and deliverable separately to facilitate proposal evaluation. Annual Maintenance Cost (AMC) after the warranty period will be paid as per Government of India (GoI) norms.

II. Extension of last date for submission of bid:-

The last date is hereby extended up to 12 Noon on 7th November, 2016 keeping in view the requests received from the interested bidders.

2. Rest of the RFP remains unchanged.
3. This issues with the approval of the Competent Authority.
