The **International Travel Support Scheme (ITS)** Committee considered the applications of the following scientists seeking grants for attending International Conferences/Seminars etc. which begins with 1st Sept. and end with 15th Sept. 2010 in its meeting held on 03/08/2010. The recommendations of the committee are given below. Individual Communication is being sent to the approved candidates. No communication will be sent to the "not recommended" candidates.

The Scheme provides full economy class air fare by the shortest route, airport tax and visa fees. Young Scientist (below 35 years) will be provided registration fees also in addition to the above Support. The recommended candidates are advised to avail tickets from Air India. For Travel to station not connected by Air India, the officials may travel by Air India to the hub/point closet to their eventual destination, beyond which they may utilize the services of another airline which should also preferably be an alliance partner of Air India.
