

## **C V Raman International Fellowship for African Researchers**

**(2010)**

### **Background**

Department of Science & Technology, Government of India, has initiated C V Raman International Fellowship for African Researchers under new Science & technology initiative to promote scientific cooperation with Africa. This prestigious fellowship is aimed at further strengthening the bond between Indian & African nations through Science & Technology collaboration. Federation of Indian Chamber of Commerce & Industry (FICCI) is the Coordinating Partner for the C V Raman International Fellowship programme.

DST recently convened the meetings of the Selection Committee to review the applications received under the CV Raman International Fellowship programme for African Researchers. The applications were screened by the Committee for fulfillment of all eligibility criteria as mentioned in the information brochure of the Fellowship programme. The following candidates have been selected for the Fellowships. Information is being communicated to individual candidates through proper channel.
