The **International Travel Support Scheme (ITS)** Committee considered the applications of the following scientists seeking grants for attending International Conferences/Seminars etc. which begins with August 1st and end with 15th August 2010 in its meeting held on **06/07/2010**. The recommendations of the committee are given below. Individual Communication is being sent to the approved candidates. No communication will be sent to the "not recommended" candidates.

For Travel to station not connected by Air India, the officials may travel by Air India to the hub/point closet to their eventual destination, beyond which they may utilize the services of another airline, which should also preferably be an alliance partner of Air India.
